

## Laundry-to-Landscape Graywater Program Rules and Required Documentation

- Only one L2L rebate per property for components installed at a SFPUC water service address in San Francisco.
- Rebate application must be submitted within 90 days of purchase date and installation of essential components.
- The rebate amount will not exceed \$100 or the amount paid in total for the eligible essential components.
- The rebate amount will be based on what you paid for the essential components noted below.
- You must meet the following eligibility and documentation requirements:
  - Be the water account holder of single family or two-unit multi-family properties or have water account holder approval.
  - If the account holder is not the property owner, a Property Owner Approval Form signed by the property owner must be submitted.
  - Have a working clothes washing machine onsite. **A photograph of the clothes washer is required.**
  - Have a yard that is level or down-sloping from the location of the clothes washer. **A photograph of the landscape area irrigated by L2L graywater is required.**
  - Provide a receipt (s) that shows the itemized amount you paid to purchase each of the following components (receipts can be uploaded as photos or scans in jpeg or pdf formats). Receipts and/or invoices that do not include the itemized cost of each essential L2L graywater component will be rejected:
    - Schedule 40 PVC pipe (max rebate of \$25)
    - One (1) full port diverter valve / three-way valve (max rebate of \$50)
    - One (1) air admittance valve (Auto vent or inline vent) (max rebate of \$25)
- Provide a photo (s) that shows the essential graywater components have been installed at your property (at a minimum, this could be a photo of the installed three-way valve).
- Submit a completed and signed IRS W-9 form to the San Francisco Controller's Office via email at [supplier.management@sfgov.org](mailto:supplier.management@sfgov.org) or by mail to Supplier Management, 1 Dr. Carlton B Goodlett Place, Room 300, San Francisco, CA 94102. Rebate checks will be mailed to the person on the W-9 form.
- **Applicants who fail to submit a W-9 form will be rejected.** The Social Security or Tax ID number requested is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405 (c) (2)(c). The Internal Revenue Service requires rebate program participants receiving \$600 or more in rebates to be issued an IRS Form 1099 unless exemptions apply. Social Security numbers provided are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the Controller's Office.
- Agree to install and maintain the essential L2L graywater components and system according to the guidelines in the SFPUC Graywater Design Manual, available online at <https://sfpuc.org/learning/conservative-water/graywater-laundry-landscape>. Installation of the L2L graywater components must also comply with California Plumbing Code Chapter 16.
- The SFPUC reserves the right to verify the installation of the L2L components via a site visit if your photos are not sufficient. Your application will be rejected if you fail to allow an inspection of the installed system within 60 days of the SFPUC's request.

The SFPUC reserves the right to alter this program at any time. Funding is limited and on a first come, first served basis, until funds have been depleted or the program terminates.
