The Folsom Area Stormwater Improvement Project will increase sewer system capacity and reduce the risk of flooding in the low-lying 17 Street and Folsom and surrounding area. Phase 1 is almost done, and Phase 2 major construction activities are anticipated to begin in 2025.

Sign-up for project updates and reach out with questions or concerns ahead of work starting! Email ssip@sfgwater.org with Hayes Sewer in the subject line, and we'll start sharing updates later this spring.
